The Destinations

Hakuba

Hakuba is widely known as being a first class international resort with some of the best ski/board terrain and highest snowfall in all of Japan. The host of the 1998 Winter Olympics and it boasts over 1080m of vertical skiing, which is equivalent to many of the more widely known resorts of North America and Canada.

Getting There – Hakuba is easily accessible only 4.5 hours from Tokyo and offers a real Japanese experience along with some great nightlife all within walking distance from our accommodation.

Skiing in Hakuba – Included in the ‘Hakuba All Mountain Pass’ is the option of 12 ski resorts offering an incredible variety of terrain for skiers and snowboarders alike. Whether you want the steepest runs in Japan, tons of dry powder, terrain parks, and half pipes or if you’re looking for some easy ski runs, Hakuba has it all and you’re OZ Snow Package gives you freedom to ride them all!
